

## **SREE NARAYANA TRAINING COLLEGE NEDUNGANDA**

### **SEMINAR ON MOULDING PROSPECTIVE TEACHERS 2019**

Sree Narayana Training College organized a seminar on Moulding Prospective Teachers as preparatory programme for the newly admitted students of the B.Ed programme 2019-21. The seminar started with the welcome speech by Dr.Sheeba P., Principal SNTC. The seminar was chaired by Dr. K.S. Anitha, former Principal SNTC. The talk enabled the prospective teachers to realize the field of teacher education in a broad perspective and it brought the state of teacher education in various era , from the vedic and agrarian society to the modern industrialized and technologically advanced era. The session was very much informative, interactive and useful in the sense that the student teachers got an opportunity to get acquaintance with emerging trends and practices in the field of education especially the role of teachers. Fruitful interaction with the resource person was a great experience for the students. The seminar ended with the vote of thanks prepared by the student representative , Sri. Kiran A.S. from Natural Science.
